

CALL FOR PAPERS

DEADLINE EXTENDED: March 15th, 2023

>>>FINAL EXTENSION<<<

Contributed papers (oral or poster) are invited for presentation at Aquaculture Canada 2023. Any topic related to aquaculture will be considered. All presenters are required to pay their own registration, accommodation, and travel expenses.

Oral Presentations:

Oral presentations are limited to 20 minutes, including a 3-minute question period. Presentations must be in PowerPoint® and only computers provided by the conference can be used. Please be advised that due to time constraints, not all papers submitted for oral presentation may be accepted; in such cases, presenters will be given the alternative option of poster presentation.

Poster Presentations:

Poster dimensions shall be no larger than 90cm (HORIZONTAL) x 100cm (VERTICAL). Please be advised that posters outside of these dimensions may be removed if blocking other posters. Presenters will be required to be in attendance with their poster during a designated poster session as outlined in the conference program.
